Extra Good GLADIOLI.

We add to our list this year two outstanding varieties.  
 BEOWOLF is a large lavender, larger than Minuet and with  
 longer stems. We consider it superior to Minuet in all  
 respects. SHIRLEY TEMPLE captivates everyone who sees it.  
 It is a very pale yellow with a brighter yellow throat. It  
 is large and tall. This year we will not sell more than 100  
 bulbs of either BEOWOLF or SHIRLEY TEMPLE to one customer.

Again RED PHIPPS and HERITAGE outsold everything else  
 on the cut flower market. The public goes for them in a big way.

Note: We sell 250 or more at the 1000 rate.
